

Church Missionary Society.

Jerusalem 12/4/1924.

Dear Mr. Hanna,

Our Society in England has asked us questions about the relative cost of living in pre-war days and at the present time. I am therefore writing to a few friends to ask if they would help me by giving me an approximate statement on the following subjects:-

What do you consider to be the average cost in pre-war days and in post-war days of:-

- (1) Servants' wages.
- (2) Rent of house containing 4/6 rooms.
- (3) Living expenses for a family of 2 Adults and 3 children.
- (4) The salary received by a senior man in Government or Society employ.
- (5) The Salary received by a Junior man in Government or Society employ.

If you have any further information bearing upon this question which you think would be useful to us, I should be very grateful if you would express it. If you could let me have your reply in the course of the next 10 days it would be an additional kindness as then it would help us at the time of Conference.

With Kind Regards,

Yours Sincerely,

Lawrence H. Handman
