Miss Fatima Muhib,
c/o Tourist Dept.,
Jerusalem.

P E R S O N A L

Dear Miss Muhib,

I thought you would like to see the enclosed first specimen printing of one of your pictures. We are using three only - the ones of the Women of Jerusalem, Jericho and Es-Salt, and are printing 4,000 calendars.

I will send you some for your own personal distribution and use as soon as they are completed.

Yours sincerely,

H. H. Pusey
Resident Adviser
